

# TECHNICAL DATA SHEET

## PRODUCT DETAILS

|                  |                                                        |
|------------------|--------------------------------------------------------|
| Product Code     | riccione                                               |
| Construction     | Engineered Tongue and Groove                           |
| Pattern          | Single Strip Plank                                     |
| Top Layer Specie | French Oak                                             |
| Grade            | Prime (Select), Nature, Character (Classic),<br>Rustic |
| Edge Profile     | Micro-beveled on all four sides                        |

## RICCIONE

## TECHNICAL CRITERIA

|                      |                                    |
|----------------------|------------------------------------|
| Wear Layer Thickness | 4mm / 6mm                          |
| Backing              | WBP Birch Plywood                  |
| Width                | 140/160/180/190/220/240/260/300 mm |
| Length               | 70% 2000-3000mm / 30% 600-1900mm   |
| Pack Size            | Made to order                      |

## INSTALLATION METHODS

|                   |                 |
|-------------------|-----------------|
| Connection System | Tongue & groove |
|-------------------|-----------------|

## IMPORTANT INSTALLATION GUIDANCE

Installation is taken as acceptance of the goods and must be carried out by a competent installer in accordance with the relevant national standard. Inspect all goods before fitting.

Do not cover a newly installed floor with non-breathable material. Trapped moisture can damage the surface, especially over underfloor heating.

219 Northfield Avenue, West Ealing, London, W13 9QU
